RE: Jones v. Campbell et al,
Sub: Change of address and re direct mail.
Case No. 24-10683

Hello I'm writing this letter explaining to the court my movement to another facility. I have not yet watched the video. Nor have I received a response from any of my letters from the courts. The last facility was tampering with my mail. I wrote a letter to the courts on May 7, 2024 and have not heard nothing from the courts. And I know I must let all individuals know about my new address. But I don't have the money for the copies. Can someone please explain what to do?
